Ref. : **Invitation as a Visiting Professor at Universitas
Pendidikan Indonesia (UPI)**

Dear Professor Ali Hassan Najmi,

On behalf of Universitas Pendidikan Indonesia (UPI), I would like to extend my warmest greetings and highest appreciation to you and the Faculty of Education at King Abdulaziz University.

Recognizing your outstanding expertise and significant contributions to academic excellence, it is our distinct honor to formally invite you to visit our campus in Bandung, Indonesia, to serve as a Visiting Professor. We would be delighted to host you for a duration of one (1) week during the month of September 2026, depending on your availability.

During your stay, we would be privileged to have you engage with our academic community through the following activities:

1. Special Guest Lectures: Delivering lectures to our undergraduate and postgraduate students on topics reflecting your specialized research and expertise.
2. Academic Discussions: Leading strategic discussions and sharing best practices with our faculty members to explore potential joint research collaborations and institutional capacity building.

To ensure your visit is as comfortable and seamless as possible, Universitas Pendidikan Indonesia will cover expenses associated with your travel and stay, which only includes:

1. Round-trip international airfare (transportation)
2. Local accommodation in Bandung
3. Subsistence during your stay
4. A curated cultural excursion in Bandung and its scenic surroundings

We are confident that your presence will greatly inspire our students and faculty, and mark the beginning of a long and fruitful partnership between UPI and King Abdulaziz University.

To facilitate your travel arrangements, visa coordination, and scheduling, our Head of International Partnerships, Professor Eri Kurniawan, Ph.D. (eri_kurniawan@upi.edu, international.partnerships@upi.edu), will serve as your primary point of contact.

We would be highly grateful if you could kindly indicate your preferred week in September 2026 to facilitate further preparations.

Thank you for your kind consideration of this invitation. We look forward to the honor of welcoming you to our campus.

Rector Ad Interim,

Yudi Sukmayadi

Carbon copy:

1. Rector (as report);
2. Vice Rector for Resources and Information System;
3. Vice Rector for Research, Community Outreach, and Partnerships;
4. Director, Directorate of Partnerships and International Affairs;
