Subject: Request for Visit and Collaboration Opportunities

Dear Rector of Universitas Pendidikan Indonesia,

Warm greetings from the Faculty of Education, Prince of Songkla University (PSU), Thailand. As a leading educational institution in southern Thailand, our faculty is committed to fostering innovative teacher development and achieving recognition at both national and ASEAN levels.

Recognizing Universitas Pendidikan Indonesia (UPI) as a distinguished university with shared academic goals, we are keen to explore opportunities for collaboration. Our proposed visit seeks to discuss potential initiatives, including co-hosting international conferences, participating in international teaching competitions, engaging in international class observations for pre-service teachers, and exploring other collaborative programs. Additionally, we would welcome the opportunity to discuss the signing of an MoU/MoA, subject to mutual interest and availability. We propose the following schedule for our visit on **January 8, 2025, from 09:00 AM to 12:00 PM:**

- 09:00–10:30 AM: Meeting at UPI International Affairs Office. If possible, we kindly request the participation of representatives from the Faculty of Education in this meeting.
- 10:30 AM–12:00 PM: Visiting UPI's Laboratory School.

A delegation of three members, led by myself as the Dean of the Faculty of Education, will represent PSU during this visit.

We sincerely appreciate your kind consideration of this request and look forward to the opportunity to establish a strong and mutually beneficial partnership with Universitas Pendidikan Indonesia.

Sincerely,
